Dear Sir/Madam

- (I) THE PROPOSED ADOPTION OF THE UPP GROUP EMPLOYEES' SHARE OPTION SCHEME 2018**
- (II) THE PROPOSED PARTICIPATION OF MR TONG KOOI ONG, A CONTROLLING SHAREHOLDER, IN THE UPP GROUP EMPLOYEES' SHARE OPTION SCHEME 2018**
- (III) THE PROPOSED PARTICIPATION OF MR TONG IAN, AN ASSOCIATE OF A CONTROLLING SHAREHOLDER, IN THE UPP GROUP EMPLOYEES' SHARE OPTION SCHEME 2018**

1. INTRODUCTION

- 1.1 The Directors are convening the EGM to be held at Nordic Conference Room, 1st Floor, No. 3 International Business Park, Nordic European Centre, Singapore 609927 on 27 April 2018 at 11.00 a.m. (or as soon as practicable thereafter following the conclusion or adjournment of the Annual General Meeting of the Company to be held at 10.30 a.m. on the same day and at the same place) to seek the approval of Shareholders for the proposed adoption of the Option Scheme, the rules of which are set out in **Appendix A** of this Circular (the "**Proposal**").
- 1.2 The purpose of this Circular is to provide Shareholders with the relevant information pertaining to, and to seek Shareholders' approval at the EGM for, the Proposal.

LETTER TO SHAREHOLDERS

- 1.3 SGX-ST had on 21 March 2018 granted in-principle approval for the listing and quotation of the New Shares on the Official List of the SGX-ST, subject to Shareholders' approval for the Option Scheme, and the Company's compliance with SGX-ST's listing requirements and guidelines. Such in-principle approval and the admission to, and quotation of the New Shares on the Official List of SGX-ST is not to be taken as an indication of the merits of the Company and/or its subsidiaries, the Shares, the New Shares and the Option Scheme.
- 1.4 The Company has an option scheme, known as the "UPP Employee Share Option Scheme 2011". The scheme was approved by Shareholders at an extraordinary general meeting of the Company held on 21 April 2011. The terms of the Option Scheme differ from those of the UPP Employee Share Option Scheme 2011, and the Company is of the view that it would be more practical to adopt a new share option scheme instead of amending the UPP Employee Share Option Scheme 2011. Accordingly, upon Shareholders' approval being obtained for the adoption of the Option Scheme, the Company will terminate the UPP Employee Share Option Scheme 2011. As at the Latest Practicable Date, no options have been granted under the UPP Employee Share Option Scheme 2011.
- 1.5 The key differences between the Option Scheme and the UPP Employee Share Option Scheme 2011 are as follows:
- (a) one of the purposes of the Option Scheme is to pay part of a Participant's earned bonus by way of Options. This purpose is absent in relation to the UPP Employee Share Option Scheme 2011;
 - (b) a Participant (under the Option Scheme) may continue to exercise his Options after he ceases employment with the Group. A participant granted an option under the UPP Employee Share Option Scheme 2011 may not exercise his option after he ceases employment with the Group;
 - (c) the Exercise Price of an Option (under the Option Scheme) shall not be at a discount to the Market Price. The UPP Employee Share Option Scheme 2011 allows for options to be granted with exercise prices that are at a discount to the market price;
 - (d) an Option (granted under the Option Scheme) may only be exercisable from the fourth anniversary of its grant. An option granted under the UPP Employee Share Option Scheme 2011 may be exercised after the first anniversary of its grant (if not granted at a discount to the market price) and after the second anniversary of its grant (if granted at a discount to the market price); and
 - (e) only executive directors and confirmed employees are eligible to participate in the Option Scheme but non-executive directors are eligible to participate in the UPP Employee Share Option Scheme 2011.

2. THE OPTION SCHEME

2.1 Rationale for the Option Scheme

The Company recognises the importance of acknowledging contributions made by employees and Directors to the success and development of the Group.

LETTER TO SHAREHOLDERS

The purpose of the Option Scheme is to provide an opportunity for employees of the Group who have contributed significantly to the growth and performance of the Group, as well as executive Directors who satisfy the eligibility criteria as set out in Rule 4 of the Rules, to participate in the equity of the Company so as to motivate them to greater dedication, loyalty and higher standards of performance, and to give recognition to past contributions and services. Additionally, the Option Scheme will help the Group to attract and retain the services of appropriate, qualified and experienced employees who would be able to contribute to the Group's business and operations.

The Option Scheme is primarily a share option scheme. It recognises the fact that the services of employees and executive Directors are important to the success and continued well-being of the Group. At the same time, it will give such employees and executive Directors an opportunity to obtain a direct interest in the Company and will help to achieve the following positive objectives:

- (a) to motivate Participants to optimise their performance standards and efficiency and to maintain a high level of contribution to the Group;
- (b) to encourage employees to focus on long-term growth, investing for sustainable earnings and discouraging unnecessary risk-taking to achieve short-term incentives;
- (c) to retain Participants whose contributions are essential to the long-term growth and profitability of the Group;
- (d) to instill loyalty to, and reinforce a stronger identification by Participants with the long-term prosperity of the Group;
- (e) to encourage succession planning by attracting potential employees with relevant skills to contribute to the Group and to create value for Shareholders and, because Options can be exercised even after employees cease to be employed by the Group (other than arising from misconduct on the part of the Option Holder (as determined by the Committee in its absolute discretion)), to incentivize existing management in selecting competent new employees to succeed them to ensure the long-term success of the Group;
- (f) to better align the interests of Participants with the interests of Shareholders; and
- (g) to give recognition to the contributions made or to be made by Participants to the success of the Group.

A feature of the Option Scheme is that Options may be exercised even after a Participant ceases to be employed by the Group (other than arising from misconduct on the part of the Option Holder (as determined by the Committee in its absolute discretion)). This is because it is the Company's intention to use Options to pay a portion of a Participant's earned bonus entitlement instead of making such payment in cash, and the Participant would in effect have paid for the Option upon its grant since such Option represents the consideration he receives for that part of his earned bonus entitlement. In this regard, the value of the Option (i.e. the amount deemed paid by the Participant for the Option) will be the fair value of the Option. The fair value of the Option will be determined by the Company in accordance with SFRS(I) 2 (more fully described in section 4.4 (entitled "Potential cost of issuing the Options") below).

LETTER TO SHAREHOLDERS

By way of illustration: Assuming that (i) a Participant's earned bonus entitlement is S\$300,000 and two-thirds of the bonus (amounting to S\$200,000) is to be paid in cash, (ii) the remaining one-third of the bonus (amounting to S\$100,000) is to be paid by way of the grant of Options and (iii) the fair value per Option is S\$0.03. In this scenario, the number of Options to be granted to the Participant will be 3,333,333. This is arrived at by dividing S\$100,000 by S\$0.03. Assuming further that all 3,333,333 Options are exercised at an Exercise Price (being the Market Price) of S\$0.25 per Option, (i) the Company will receive S\$833,333.25 and (ii) (assuming an enlarged issued share capital comprising 880,000,454 Shares (based on the issued share capital of 876,667,121 Shares as at the Latest Practicable Date)) the Participant will acquire 0.38% of the enlarged share capital of the Company resulting from the exercise of the 3,333,333 Options.

An Option will therefore comprise two components:

- (a) the first, which is retrospective in the context of the Date of Grant, as payment for past services. This is part of the reason why an Option can continue to be exercised even after the Participant is no longer employed by the Group; and
- (b) the second, which is prospective in the context of the Date of Grant, as an incentive to the Participant to contribute to the future success of the Company. This is consistent with allowing a Participant to exercise his Option even if he is no longer employed by the Group because (i) the effects of any contribution made or actions taken by a Participant while being employed may only materialize after he is no longer employed by the Group and (ii) allowing an Option to be exercised after a Participant is no longer employed by the Group encourages long-term thinking and discourages short-termism (especially since the effects of his contributions made or actions taken while under employment can affect the Company's performance which may in turn affect the value of his Option).

The Company is of the view that paying part of a Participant's bonus by the grant of Options will, in addition to the objectives stated above (especially the focus on the long-term), enable the Company to reduce cash outflows and receive cash when the Options are exercised.

2.2 Summary of the Rules

The Rules are set out in **Appendix A** to this Circular. A summary of the Rules are as follows:

2.2.1 Eligibility

Subject to the absolute discretion of the Committee, Participants who have attained the age of 21 years on or prior to the relevant Date of Grant, are not undischarged bankrupts, have not entered into a composition with their respective creditors, and, where applicable, who have, as of the Date of Grant, been in the employment of the Group for a period of at least 12 months, or such shorter period as the Committee may determine, shall be eligible to participate in the Option Scheme.

Persons who qualify under the paragraph above and who are also the Company's Controlling Shareholders and their Associates can only participate in the Option Scheme if their participation is approved by independent Shareholders in separate resolutions for each such person and for each such grant (such resolutions disclosing the specific number and terms of each such Option grant).

LETTER TO SHAREHOLDERS

2.2.2 Entitlements

The number of Shares comprised in Options offered to a Participant shall be determined at the absolute discretion of the Committee who shall take into account, where applicable, criteria such as the bonus earned by the Participant in any particular year, rank, past performance, years of service and potential contribution of the Participant.

2.2.3 Size of the Option Scheme

The aggregate number of Shares (comprising New Shares issued and issuable in respect of the Options granted under the Option Scheme and/or Treasury Shares and/or Subsidiary Holdings delivered in respect of the Options) over which the Committee may offer to grant Options on any date, when added to:

- (a) the aggregate number of new Shares issued and issuable in respect of all other share-based incentive schemes of the Company (if any); and
- (b) the number of Treasury Shares and Subsidiary Holdings delivered in respect of the options granted under all other share-based incentive schemes of the Company (if any),

shall not exceed 15% of the total issued Shares (excluding Treasury Shares and Subsidiary Holdings) of the Company on the date immediately preceding the Date of Grant.

The aggregate number of Shares over which the Committee may offer to grant Options to the Controlling Shareholders and their Associates under the Option Scheme, shall not exceed 25% of the Shares available under the Option Scheme, provided always that the number of Shares available to each Controlling Shareholder or each of his Associates shall not exceed 10% of the Shares available under the Option Scheme.

2.2.4 Date of Grant

The Committee may offer to grant Options in its absolute discretion at any time during the period when the Option Scheme is in force, except that no offer to grant Options shall be made during the period of 1 month immediately preceding the date of announcement of the Company's full-year result and 2 weeks before the announcement of the results of the Company for each of the first, second and third quarters of its financial year (as the case may be).

In addition, in the event that an announcement of any matter of an exceptional nature involving unpublished price sensitive information is made, the Committee may offer to grant Options on or after the second Market Day after such announcement has been released.

2.2.5 Acceptance of Offer

The grant of an Option must be accepted not later than 5.00 p.m. on the thirtieth (30th) day from such Date of Grant. The Grantee must complete, sign and return to the Company the acceptance form accompanied by payment of S\$1 as consideration or such other amount and such other documentation as the Committee may require.

LETTER TO SHAREHOLDERS

2.2.6 Exercise Price

Subject to any adjustment pursuant to Rule 10 of the Rules, the Exercise Price for each Share in respect of which an Option is exercisable shall be fixed by the Committee at the Market Price. For the avoidance of doubt, the Exercise Price shall not be at a discount to the Market Price.

Upon the exercise of an Option, the Company may either allot and issue New Shares or transfer Treasury Shares or Subsidiary Holdings to the Option Holder in accordance with Rule 12 of the Rules.

2.2.7 Alteration of Capital

If a variation in the issued share capital of the Company (whether by way of a capitalisation of profits or reserves or rights issue or reduction, subdivision, consolidation or distribution, or otherwise howsoever) should take place, then:

- (a) the Exercise Price in respect of the Shares comprised in the Option to the extent unexercised; and/or
- (b) the number of Shares comprised in the Option to the extent unexercised and the rights attached thereto; and/or
- (c) the number of Shares in respect of which additional Options may be granted to Option Holders,

may, at the discretion of the Committee, be adjusted in such manner as the Committee may determine to be appropriate and except in relation to a capitalisation issue, upon the written confirmation of the auditors of the Company (acting only as experts and not as arbitrators), that in their opinion, such adjustment is fair and reasonable.

No such adjustment shall be made if as a result, the Participant receives a benefit that a Shareholder does not receive.

The issue of securities as consideration for an acquisition of any assets by the Company or a private placement of securities or the cancellation of issued Shares purchased or acquired by the Company by way of a market purchase of such Shares, in accordance with the Listing Manual, undertaken by the Company on the SGX-ST during the period when a share purchase mandate granted by the Shareholders (including any renewal of such mandate) is in force, will not be regarded as a circumstance requiring adjustment under the provisions of Rule 10 of the Rules.

Upon any adjustment required to be made, the Company shall notify each Option Holder (or his duly appointed personal representative(s)) in writing and deliver to him (or, where applicable, his duly appointed personal representative(s)) a statement setting forth the new Exercise Price thereafter in effect and the number of Shares thereafter comprised in the Option so far as unexercised.

LETTER TO SHAREHOLDERS

Any modification or alteration which would be to the advantage of Option Holders under the Option Scheme shall be subject to the prior approval of Shareholders at a general meeting.

2.2.8 Exercise Period

Options granted shall only be exercisable, in whole or in part (provided that an Option may be exercised in part only in respect of 100 Shares or any multiple thereof), at any time, by an Option Holder during the Exercise Period which shall commence after the 4th anniversary of the Date of Grant of the Options, subject to the following:–

- (a) up to twenty-five (25) per cent only of the Shares in respect of which that Option is granted may be exercised during the period commencing from the date falling immediately after the 4th anniversary of the Date of Grant of that Option and ending on the 5th anniversary of the Date of Grant of that Option;
- (b) up to another twenty-five (25) per cent only of the Shares in respect of which that Option is granted may be exercised during the period commencing from the date falling immediately after the 5th anniversary of the Date of Grant of that Option and ending on the 6th anniversary of the Date of Grant of that Option;
- (c) up to another twenty-five (25) per cent only of the Shares in respect of which that Option is granted may be exercised during the period commencing from the date falling immediately after the 6th anniversary of the Date of Grant of that Option and ending on the 7th anniversary of the Date of Grant of that Option; and
- (d) up to another twenty-five (25) per cent only of the Shares in respect of which that Option is granted may be exercised during the period commencing from the date falling immediately after the 7th anniversary of the Date of Grant of that Option and ending on the 10th anniversary of the Date of Grant of that Option;

provided always that all Options shall be exercised by the 10th anniversary of the relevant Date of Grant, failing which all unexercised Options shall immediately lapse and become null and void and a Grantee shall have no claim against the Company.

An Option shall, to the extent unexercised, immediately lapse and become null and void and the Option Holder shall have no claim against the Company:

- (a) upon the bankruptcy of the Option Holder or the happening of any other event which results in his being deprived of the legal or beneficial ownership of such Option; or
- (b) in the event of misconduct on the part of the Option Holder, as determined by the Committee in its absolute discretion.

LETTER TO SHAREHOLDERS

For the avoidance of doubt, unless an Option Holder ceases to be employed by the Group arising from misconduct on the part of the Option Holder (as determined by the Committee in its absolute discretion), an Option shall continue to be exercisable even after the Option Holder ceases to be employed by the Group.

If an Option Holder dies and at the date of his death holds any unexercised Options, such Option may be exercised by the duly appointed legal personal representative(s) of the Option Holder within the relevant Exercise Period and upon the expiry of such period, the Options remaining unexercised shall immediately lapse and become null and void.

2.2.9 Duration of the Option Scheme

The Option Scheme shall continue to be in force at the discretion of the Committee, subject to a maximum period of 10 years, commencing on the date on which the Option Scheme is approved by Shareholders at a general meeting. Subject to compliance with any applicable laws and regulations in Singapore, the Option Scheme may be continued beyond the above stipulated period with the approval of Shareholders by ordinary resolution at a general meeting and of any relevant authorities which may then be required.

2.2.10 Administration of the Option Scheme

The Option Scheme shall be administered by the Committee in its absolute discretion with such powers and duties as are conferred on it by the Board.

A Director who is a member of the Committee shall not be involved in the deliberation in respect of Options to be granted to him.

2.2.11 Voting, dividend and other rights

Shares allotted and issued or Treasury Shares or Subsidiary Holdings which are transferred, upon the exercise of an Option shall be subject to all provisions of the Constitution of the Company and shall rank *pari passu* in all respects with the then existing issued Shares in the capital of the Company except for any dividends, rights (including voting rights), allotments or other distributions, the record date for which falls prior to the date of issue or transfer (as the case may be) of the said Shares.

3. THE PROPOSED PARTICIPATION OF MR TONG KOOI ONG, A CONTROLLING SHAREHOLDER, AND MR TONG IAN, AN ASSOCIATE OF A CONTROLLING SHAREHOLDER, IN THE OPTION SCHEME

3.1 Participation of Controlling Shareholders and Associates of Controlling Shareholders in the Option Scheme

An employee (including an executive Director) who is a Controlling Shareholder or an Associate of a Controlling Shareholder shall be eligible to participate in the Option Scheme if (a) his participation in the Option Scheme and (b) the actual number and terms of the Options granted to him have been approved by independent Shareholders in separate resolutions for each such person. The relevant employee and his Associates are required to abstain from voting on, and (in the case of employees who are Directors) refrain from making any recommendation on, the resolutions in relation to the Option Scheme.

LETTER TO SHAREHOLDERS

As at the Latest Practicable Date, Mr Tong Kooi Ong is the only Controlling Shareholder and Mr Tong Ian is the only Associate of a Controlling Shareholder who may be eligible to participate in the Option Scheme. It is the Company's intention to extend the Option Scheme to include Controlling Shareholders and their Associates who may arise in the future who are employees (including executive Directors).

Pursuant to Rule 853 of the Listing Manual, the participation of Mr Tong Kooi Ong and Mr Tong Ian and such other Controlling Shareholders and their Associates who may arise in the future and who are eligible to participate in the Option Scheme will need to be approved by independent Shareholders in separate resolutions. A separate resolution must also be passed for the grant of Options to each of Mr Tong Kooi Ong, Mr Tong Ian and such Controlling Shareholders and their Associates and to approve the actual number and terms of the Options granted to such person.

It is the intention of the Company that employees (including executive Directors) who are Controlling Shareholders or Associates of Controlling Shareholders should be remunerated for their contribution to the Group on the same basis as other employees who are not Controlling Shareholders or Associates of Controlling Shareholders. Although the Controlling Shareholders and their Associates already have shareholding interests in the Company, the extension of the Option Scheme to allow the Controlling Shareholders and their Associates to participate in the Option Scheme will ensure that they are equally entitled, with the other employees who are not Controlling Shareholders or their Associates to take part and benefit from this system of remuneration. The Option Scheme is intended to be part of a system of remuneration for employees, and the Company is of the view that employees who are Controlling Shareholders or Associates of Controlling Shareholders should not be discriminated against by reason only of their shareholding in the Company. The Company is also of the view that the extension of the Option Scheme to Controlling Shareholders and their Associates will enhance the long-term commitment of the Controlling Shareholders and their Associates to the Company.

It is proposed that Mr Tong Kooi Ong, the Executive Chairman and Chief Executive Officer of the Company, be entitled to participate in the Option Scheme.

For the avoidance of doubt, Controlling Shareholders and their Associates who are not employees of the Group will not be eligible to participate in the Option Scheme.

The aggregate number of Shares available to the Controlling Shareholders and Associates of Controlling Shareholders will not exceed 25% of the Shares under the Option Scheme, and the number of Shares available to each Controlling Shareholder or Associate of Controlling Shareholder will not exceed 10% of the Shares under the Option Scheme. Pursuant to Rule 853 of the Listing Manual, and subject to the adoption of the Option Scheme, independent Shareholders' approval will be sought for the grant of Options to Controlling Shareholders and their Associates. Accordingly, the Company will seek independent Shareholders' approval before granting any Option to Controlling Shareholders and their Associates and will specify in the relevant resolution the number of Shares to be granted pursuant to such grant.

LETTER TO SHAREHOLDERS

3.2 Participation of Mr Tong Kooi Ong in the Option Scheme

Mr Tong Kooi Ong is the Executive Chairman and Chief Executive Officer of the Company. He was appointed as a Director on 15 March 2012. His main responsibilities include overseeing, monitoring and managing the overall strategy, operations, business and finances of the Group and actively sourcing for opportunities to grow the Group. Under his leadership, the business of the Group has expanded from being a paper manufacturer to include power generation in Myanmar and wholesale distribution of building materials in Canada and the United States of America.

The extension of the Option Scheme to Mr Tong Kooi Ong is consistent with the Company's objective to motivate its employees to contribute to the Group's performance. The extension of the Option Scheme to Mr Tong Kooi Ong will ensure that he is equally entitled, with the other employees, to take part in and benefit from this system of remuneration, thereby enhancing his long-term commitment to the Company.

3.3 Participation of Mr Tong Ian in the Option Scheme

Mr Tong Ian is an Executive Director, Operations and Building Materials Distribution of the Company. He joined the Group in 2012, was appointed as a Director on 7 March 2017 and was an Executive Director, Vice President, Investments. He oversees the businesses of building materials distribution in Taiga Building Products Ltd. and the operations and general matters of the Company.

The extension of the Option Scheme to Mr Tong Ian is consistent with the Company's objective to motivate its employees to contribute to the Group's performance. The extension of the Option Scheme to Mr Tong Ian will ensure that he is equally entitled, with the other employees, to take part in and benefit from this system of remuneration, thereby enhancing his long-term commitment to the Company.

4. FINANCIAL EFFECTS OF THE OPTION SCHEME

4.1 Share Capital

The Option Scheme will result in an increase in the issued share capital of the Company to the extent of the New Shares that will be allotted and issued pursuant to the exercise of the Options granted under the Option Scheme. This will in turn depend on, *inter alia*, the number of Shares comprised in the Options granted, the number of Options that are accepted and exercised and the Exercise Price of the Shares comprised in the Options.

4.2 NTA

The issue of New Shares upon the exercise of the Options granted under the Option Scheme will increase the Company's consolidated NTA by the aggregate Exercise Price of the New Shares issued. On a per Share basis, the effect on the NTA of the Company will be accretive if the Exercise Price is above the Company's consolidated NTA per Share, but dilutive otherwise.

4.3 EPS

The Option Scheme will have a dilutive impact on the Company's consolidated EPS following the increase in the Company's number of issued Shares to the extent that New Shares are allotted and issued upon the exercise of the Options.

LETTER TO SHAREHOLDERS

4.4 Potential cost of issuing the Options

SFRS(I) 2 relating to share-based payments takes effect for all listed companies beginning 1 January 2018. Under SFRS(I) 2, the recognition of an expense in respect of Options granted under the Option Scheme is required. The expense will be based on the fair value of the Options at each date of grant of the Options and will be recognised over the vesting period. This fair value is normally estimated by applying the option pricing model at the date of grant of the Options, taking into account the terms and conditions of the grant of the Options and recognised as a charge to the Company's consolidated profit and loss statement ("P&L") over the period from the date of grant of the Options to the vesting date (the "Vesting Period"), with a corresponding credit to the Company's reserve account.

Before the end of the Vesting Period and at the end of each accounting year, the estimate of the number of Options that are expected to vest in each Participant by the vesting date is revised, and the impact of the revised estimate is recognised in the consolidated P&L with a corresponding adjustment to the Company's reserve account. After the vesting date, no adjustment of the charge to the consolidated P&L is made.
